## ACTION TAKEN REPORT, 2017 – 18

On the basis of feedback received from teachers the following actions were taken:

- i. For their Project Work, the Department of Education wanted the students of Education Honours, Third Year to conduct a survey in the Primary Section of Stepping Stone Model School, Alipurduar. Permission was granted to them and a prayer was also made to the Principal of the school seeking permission to carry out a survey.
- ii. With implementation of the CBCS, Prof. Abhishek Das of Department of English brought to our notice that the marks division prescribed by the Board of Studies of the University of North Bengal was similar to that of other Departments. He insisted that keeping in mind the different nature of the syllabus of English, it would be a problem if the marks pattern was not changed. Hence, this suggestion was conveyed to the Board of Studies which then implemented a marking scheme unique for Department of English.
- iii. The suggestions made by Department of Education regarding syllabus of their Course of Study was intimated to the Chairman of the Board of Studies of Education.
- iv. Teachers of Department of English, Education and Political Science wanted to invite Faculties from other Colleges and Universities to deliver lectures pertaining to their Course of Study. Considering the demand of evolving education system, the Vice Principal and IQAC collectively decided to extend invitation to teachers of other Colleges and Universities to enlighten students with their knowledge and ideas. Subsequently, Special Lectures by visiting faculties were organised for benefit of the students.

  
Dr. Amitabh Roy
