

PLAN OF ACTION (SESSION 2023 – 2024)

Campus Development Committee

The following proposals regarding development of the campus were suggested for consideration of the Governing Body.

1. Painting of the main gate of the College.
2. Repair and maintenance of all the iron poles and other gates in the college campus.
3. Boring work to be undertaken along with installation of a new water pump.
4. Installation of signage within the college campus.
5. Beautification of the Campus.

Note: Any fund received from external agency as donation be utilised for augmentation of infrastructural facilities, if so specified.
