## Green Campus Policy Document

### About the College:

Alipurduar Mahila Mahavidyalaya is a premier educational institution providing quality education since 2007. It is the only women's college in the district. The college caters to the adjacent area of tea gardens, forest villages, and the municipal district town of Alipurduar. The college has been NAAC accredited since 2019. During this short period, the college has taken the educational leadership of the district and it has been selected by the State Government as the Hub College in the new Hub and Spoke Model of the state educational institutions.

Taking into account the necessity of protecting environment for a sustainable, pollution-free and healthy life on the planet Earth in the coming years, the college has formed its Green Protocol. The college endeavours to follow this policy strictly by actually enacting to and also creating environmental consciousness among the students and thereby among the society in general by organizing various activities within and outside the campus.

The college works towards creating a green, pollution-free and healthy environment with a missionary zeal and dedication. The students are given strict instructions to maintain the campus clean and green.

The Green Campus Policy of the college envisions a Clean and Green Campus where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus and beyond the campus. It also offers the institution an opportunity to take the lead in redefining its environmental culture through instilling environmental ethics among the students and staff.
