PLAN OF ACTION (SESSION 2024 – 2025)

Campus Development Committee

The following proposals regarding development of the campus were suggested for consideration of the Governing Body.

1. Purchase of wooden desk and bench sets for classrooms.
2. Maintenance of college garden.
3. Initiation of construction of vehicle stand behind the auditorium.
4. Tree plantation within the campus.
5. Installation of concrete benches outside the college building within the campus.

Note: Any fund received from external agency as donation be utilised for augmentation of infrastructural facilities, if so specified.
