PLAN OF ACTION (SESSION 2024 – 2025)

Campus Development Committee

The following proposals regarding development of the campus were suggested for consideration of the Governing Body.

1. Procurement of more wooden desk and bench sets for classrooms.
2. Replacement of the existing CCTV Cameras with advanced ones.
3. Completion of construction of vehicle stand behind the auditorium initiated in the year 2024 – 25.
4. Installation of water purifier in the Teacher's Room.

Note: Any fund received from external agency as donation be utilised for augmentation of infrastructural facilities, if so specified.
